Disclaimer:

This set of plans is the result of design discussions/decisions between the designer and the customer/contractor noted below. All appliance model numbers and installation options have been provided and reviewed by the customer/contractor. It is the customer/contractor's responsibility to clearly understand and approve every aspect of this set of plans. This includes, but is not limited to, dimensions, cabinet codes/sizes, appliance panels, and appliances openings. Cabinet Joint will not release an order until this set of plans has been approved by the customer/contractor with initials on each page and a signature below. If the customer/contractor decides to revise these plans directly with a Cabinet Joint cabinet coach, and without the designer, the changes and any resulting errors become the customer/contractor's responsibility. Please sign to acknowledge your understanding and acceptance of these terms.
