Disclaimer:

This set of plans is the result of design discussions/decisions between designer and the customer/contractor noted below. All appliance model numbers and installation options have been provided and reviewed by the customer/contractor. It is the customer/contractor's responsibility to clearly understand and approve every aspect of this set of plans. This includes, but is not limited to, dimensions, cabinet codes/sizes, appliance panels, and appliance openings. These drawings assume that level surfaces for the cabinets have been verified by the customer/contractor. Out of level floors or ceilings will affect the installation of trim/crown.

Cabinet doors and appliance panels over 48"H without center support rail will not be covered under Cabinet Joint Warranty. Customer's Initials: _____

If the customer/contractor decides to revise these plans directly with a Cabinet Joint Cabinet Coach, and without designer, the changes and any resulting errors become the customer/contractor's responsibility.

These renderings are not meant to be an exact representation of color/ wood/ stain. Cabinet Joint will not be responsible for any perceived discrepancies between the color in these renderings and the actual color ordered/ received.

Cabinet Joint will not release an order until this set of plans has been approved by the customer/contractor with a signature below. Please sign to acknowledge your understanding and acceptance of these terms.
